Re: Docket #98N-1038
"Irradiation in the Production, Processing, and Handling of Food."

To Whom It May Concern,

I am writing to ask you please, please to keep food irradiation labeling.

I am a vegetarian and very health conscious and feel strongly that it is both my right and my responsibility to make choices about what I ingest. These are protected through irradiation labeling, and would not be without.

Thank you,

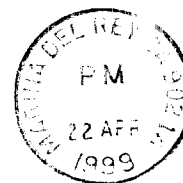

Frankie Lee Slater
